2020 Senior Class Legacy Committee

As a member of the Senior Class Legacy Committee, your primary responsibility is to contact your classmates and friends about making a gift before graduation.

Most volunteers find the time commitment to the committee very manageable. Committee members spend time talking with and messaging classmates to encourage them to give back, attending bi-weekly meetings, and working on other projects and events, including: personal solicitations, tabling, senior cellar nights, and the annual party in the spring.
