

2027 Senior Legacy Campaign Committee

Make an impact | Celebrate your class | Leave a legacy

As a member of the Senior Legacy Campaign (SLC) Committee, your primary responsibility is to contact your classmates and friends about making a gift before graduation.

It's a meaningful, manageable way to get involved, even with a busy senior schedule. Committee members spend time leading meaningful conversations about giving with classmates, spreading the word about SLC events, and shape a culture of student-driven philanthropy on campus.

Committee Responsibilities & Objectives

- **Make your gift** (even \$5+ makes a difference!)
- **Attend committee meetings** twice per semester (with more only if needed)
- **Spread the word** about the campaign and SLC events
- **Volunteer at events** hosted by the SLC
- **Stay organized and respectful** of confidential classmate information when completing tasks
- Help create a **positive, inclusive, and enthusiastic committee culture**
- Most importantly: **have fun and celebrate your time at Richmond!**

Time Commitment: A light but meaningful volunteer experience! Committee members attend 2 meetings per semester and 3 events throughout the year. Most events are ones you'll already be attending as a senior, so you can have fun with your classmates while helping make them happen. It's a flexible, low-stress way to get involved that's designed to fit around your existing commitments.
