

2027 Senior Legacy Committee

Make an impact | Celebrate your class | Leave a legacy

As a member of the Senior Legacy Committee, your primary responsibility is to contact your classmates and friends about making a gift before graduation.

It's a meaningful, manageable way to get involved, even with a busy senior schedule. Committee members spend time talking with and messaging classmates to encourage them to give back.

This is your chance to connect with classmates, build leadership experience, and play a role in shaping a lasting tradition of philanthropy on campus.

Committee Responsibilities and Objectives:

- **Make your Senior Gift** – just \$5+ makes a difference!
- **Attend committee meetings** twice per semester (with more only if needed).
- **Spread the word** about the campaign and senior-focused events.
- **Volunteer at events** hosted by the Senior Legacy Campaign.
- **Stay organized and respectful** of confidential classmate info when completing tasks.
- Help create a **positive, inclusive, and enthusiastic committee culture**.
- Most importantly: **have fun and celebrate your time at Richmond!**

Time Commitment: Average of 1-2 hours a week. Meetings will take place twice a semester (subject to more if needed). It's a flexible, low-stress way to get involved, designed to fit around your existing commitments.
